**Discipline Procedures**
Each class develop a set of classroom expectations which give students guidance in making appropriate decisions about their behaviour and thus an opportunity to learn in a positive, nurturing classroom environment. As each child deserves the most positive educational climate possible for their growth, they jointly construct a set of classroom expectations and consequences for appropriate and inappropriate behaviour during the first week of school. These five expectations are positively phrased to reinforce appropriate behaviours and choices. They are age appropriate and enable effective classroom management and growth as learners by all children. Rewards and consequences are also agreed upon to ensure a joint vision and understanding for each classroom.
Example Expectations:
1. Use good manners and wait for your turn to speak.
2. Be cooperative by doing what you are asked to do.
3. Think and act safely by keeping our hands, feet and objects to yourself.
4. Be friendly to each other.
5. Ask the teacher if you need to leave the room, before you leave the room.

Rewards:
To encourage students to follow our expectations we will recognise good choices and appropriate behaviour with praise, house points, certificates, stickers and positive notes.

Consequences:
If a student chooses to behave in an inappropriate fashion the following steps will be taken:

First time a student breaks an expectation: Redirect/recognise an appropriate behaviour, warning and reminder of the expected behaviour.

Second time: Name on board and reminder of the expected behaviour.

Third time: One mark next to their name and 2 minutes time out in the classroom.

Fourth time: Second mark next to their name and 5 minutes time out in the classroom.

Fifth time: Third mark next to their name and time out in another classroom.

Severe Clause: Referral to Principal

When inappropriate behaviour persists, which is not age appropriate, the following steps should be taken in consultation with the Principal.

Step 1 Teacher and student plan of action
Aims to assist student to modify own behaviour.
Possible strategies include:
- Behaviour Contract negotiated between student and teacher.
- Deprivation of privileges.
- Inform parents to organise a meeting.
- Time out away from grounds or classroom.
- Written record of behaviours. Eg. Bullying / Incident Report
- Detention as per DET guidelines.

Step 2 Calling on external assistance.
For example
- Counselling, support group established with parents, staff or consultants.
- Strategies negotiated in addressing the concern, including such strategies as ‘Behaviour Contract’ that set out goals and timelines.

Step 3 Suspension procedures
- Implemented as per DET guidelines.
Step 4 Expulsion

- Implemented as per DET guidelines.

If at any time a misdemeanour is considered serious enough, some or all of the steps in the sanctions may be skipped so a higher level of discipline action may apply.

All incidences of cyber bullying will be followed up according to DET Guidelines.
