**HPS Fundraising and Grants Sub-Committee**

HPS Fundraising and Grants Sub-Committee is a group of parent and staff volunteers that:

- Coordinate fund-raising and fun-raising events throughout the year!
- Provide opportunities for class fundraising events
- Research and apply for grants to fund projects and additional resources for the kids
- Seek donations from the local and business community to support HPS fundraising.
- Help bring the parent community together!

As the school continues to grow in both student numbers and community spirit, the HPS Fundraising and Grants Sub-Committee are finding more opportunities for bringing the community together. We have overseen events such as:

- 2015 Parents and Friends Trivia Night (sure to make another appearance in 2016!)
- HPS 60th Year Anniversary

**Know of a business that would donate prizes?**

Do you own or work for a business that might like to donate prizes for raffles or events? We are happy to advertise the business at the event as a gesture of thanks!

- Thousands of dollars of English and Japanese books
- New AFL goal posts
- Additional Hall resources

**We are looking for new ideas for events and also have a number of fundraising projects on the agenda for 2016 such as:**

**Does your company offer Employee Grants?**

Do you work for a large company such as NAB, Toyota or Telstra?

Many large companies provide employee grants throughout the year for your choice of non-profit organisation. We have projects lined up ready for funding, we can even write the grant application for you!

**Let us know and we can help raise funds for the kids!**

We would love to hear from parents who wish to join HPS Fundraising and Grants sub-committee or support our work in any way! It doesn’t matter what skills you have, there are a variety of tasks that you can be involved in. It’s a great way to get involved, meet other parents and raise funds for the kids whilst you are doing it!
