

Parental Acceptable Use Agreement for internet and digital technologies

When my child uses digital technology at Huntingdale Primary School, we agree to:

- Talk to a teacher if I feel uncomfortable or unsafe online or see others participating in unsafe, inappropriate or hurtful online behaviour
- Seek to understand the terms and conditions of websites and online communities and be aware that content I upload or post is my digital footprint
- Protect my privacy rights and those of other students by not giving out personal details including full names, telephone numbers, addresses and images
- Use social networking sites for educational purposes and only as directed by teachers
- Participate in programs such as “Mangahigh” and “Edmodo” respectfully.

When on school grounds, I/we agree to:

- Only take photos and record sound or video when it is part of an approved lesson
- Seek permission from individuals involved before taking photos, recording sound or videoing them
- Seek appropriate (written) permission from individuals involved before publishing or sending photos, recorded sound or video to anyone else or to any online space
- Be respectful in the photos I take or video I capture and never use these as a tool for bullying.

Bringing Your Own Computer/Digital Devices

When We/I supply our own devices, I/we agree to:

- Allow the school’s IT technician to access the device to make it accessible to the school’s computer networking system.
- Waive the schools responsibility for any loss or damage to the device or it’s accessories.

This Acceptable Use Agreement also applies during school excursions, camps and extra-curricula activities. I/we acknowledge and agree to follow these rules.

I have read and discussed with my child the Acceptable Use Agreement carefully and understand the significance of the conditions and agree to abide by these conditions. I understand that any breach of these conditions will result in internet and mobile technology access privileges being suspended or revoked.
