

Dear Parent/Volunteer

**CONSENT FORM – PHOTOGRAPHY/FOOTAGE**

On several occasions throughout the school year, our school, students and volunteers (including parents and siblings) are featured in both local and national newspapers such as The Age and The Oakleigh Leader as well as television coverage. We are also updating our Website throughout the year and would like to include a range of volunteer/family photos and video footage.

However, we need permission from you to allow the photographs/footage to be used.

Please sign the Consent Form below to confirm you are happy for us to include photographs/footage in newspaper/advertising articles/Web site/television in the future.

Yours sincerely

KATE GRAY
