

2020 Communication between home and school for teachers

You should make every effort to regularly and positively communicate with the parents in your classroom.

The classroom teacher is the first 'port of call' for parents and they will come to you with many questions, requests, comments and stories!

Positive communication helps to build:

- ✓ A productive relationship between you and the parents
- ✓ A partnership of learning between home and school
- ✓ Trust in one another
- ✓ Empowerment for you as a teacher.
