

BILINGUAL BOOK FAIR 2021

English Books

The Scholastic Book Fair is back in 2021! This is a great opportunity for both students and parents to come and look over a selection of books sent to us by Scholastic Books which are for sale.

Japanese Books

Tetsuta Watanabe is a writer and translator of children's books (English to Japanese) who lives in Melbourne. This is a great opportunity to come and look over a selection of his books and his father's books, who is also a very famous writer and translator. Sales result in a commission for the school which we will be used to purchase Japanese books for our library.

During our book fair, we will give families the opportunity to “Adopt a Book”. It’s simple.... all you have to do is purchase a book during the book fair and donate it to the school. A special “Adopt a Book” sticker will be placed on the inside front cover with your family or child’s name. It is a great way for our school to build up our library resources.

All families that “Adopt a Book” will go into a draw to WIN books to the value of \$60 – kindly donated by Scholastic Books.
