

November 2022

Dear Parents/Guardians,

Huntingdale Primary School is looking forward to another great year of teaching and learning and would like to advise you of Huntingdale Primary School's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to purchase more digital devices (iPads, lap tops), source and make bilingual educational materials, beautify the school grounds (new veggie garden beds, gardening shed, PE storage shed, regular maintenance of the school gardens), purchase furniture for the library and STEM Room.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Ruth Biddle

Principal
