

First Aid Policy (includes arrangements for ill students)

BACKGROUND

At Huntingdale Primary School all children have the right to feel safe and well and know that they will be attended to with due care when in need of first aid. The school has a duty of care to ensure it develops appropriate protocols in administering first aid.

HELP FOR NON-ENGLISH SPEAKERS

If you need help to understand the information in this policy, please contact Huntingdale Primary School on 03 9544 2318 or huntingdale.ps@education.vic.gov.au.

PURPOSE

To ensure:

- The school community understands Huntingdale Primary School's approach to first aid for students.
- Follow DE's Values of Accountability, Human Rights, Impartiality, Integrity, Leadership, Respect and Responsiveness

SCOPE

First aid for anaphylaxis is provided for in our school's *Anaphylaxis Policy* and asthma in our *Asthma Policy*.

POLICY

- This policy should be read with 's *First Aid, Administration of Medication, Anaphylaxis*.
- From time-to-time staff might need to administer first aid to students at school or school activities.
- Parents/carers should be aware that the goal of first aid is not to diagnose or treat a condition.

Staffing

- The principal will ensure that the school has sufficient staff with the appropriate levels of first aid training to meet the first aid needs of the school community.
- Our school's trained first aid officers are listed in our Emergency Management Plan (EMP). Our EMP includes the expiry dates of the training.
- This list is reviewed on an annual basis as part of the annual review of our Emergency Management Plan.

First Aid Kits

The school will maintain:

- A major first aid kit which will be stored in the health centre in the administration building.
- There are a number of portable first aid kit/s, asthma kits, boxed labelled student medications which may be used for excursions, camps, or yard duty. These will be stored in the health centre in the administration building.
- Basic first aid supplies are also in the yard duty bags located in the front office.
- The Office Manager will be responsible for maintaining all first aid kits, ensuring they are managed in accordance with the Department's policy and guidance on first aid kits – refer to [First aid kits](#).

Care for ill students

- Students who are unwell should not attend school.
- If a student becomes unwell during the school day, they may be directed to the school office and monitored by staff. Depending on the nature of their symptoms, staff may contact parents/carers or an emergency contact person to ask them to collect the student.
-

Health Centre

Our school follows the Department's policy and guidance in relation to our health centre to ensure it is safe, hygienic and appropriately equipped: [First aid rooms and sick bays](#).

First aid management

If there is a situation or incident which occurs at school or a school activity which requires first aid to be administered to a student:

- Staff who have been trained in first aid will administer first aid in accordance with their training. In an emergency situation, other staff may assist in the administration of first aid within their level of competence.
- In a medical emergency, staff may take emergency action and do not need to obtain parent/carer consent to do so. Staff may contact Triple Zero "000" for emergency medical services at any time.
- Staff may also contact NURSE-ON-CALL (on 1300 60 60 24) in an emergency. NURSE-ON-CALL provides immediate, expert health advice from a registered nurse and is available 24 hours a day, 7 days a week.
- If first aid is administered for a minor injury or condition, the school will notify parents/carers by sending home a note via See Saw, a note in the child's diary, email, a phone call to parents or a face to face verbal conversation to parents.
- If first aid is administered for a serious injury or condition, or in an emergency situation, school staff will attempt to contact parents/carers or emergency contacts as soon as reasonably practical.
- If staff providing first aid determine that an emergency response is not required but that medical advice is needed, school staff will ask parents/carers, or an emergency contact person, to collect the student and recommend that advice is sought from a medical practitioner.
- Whenever first aid treatment has been administered to a student will:
 - record the incident on CASES21 or EduSafe Plus
 - If the first aid treatment is provided following a [recorded incident](#), the details are recorded through the eduSafe Plus *Incident* form. For all other presentations, the eduSafe Plus *Sick Bay* form is used.
 - if first aid was administered in a medical emergency, follow the Department's [Reporting and Managing School Incidents Policy](#), including reporting the incident to the Department's Incident Support and Operations Centre on 1800 126 126 where required to under that policy.

In accordance with guidance from the Department of Education, analgesics, including paracetamol and aspirin, will not be stored at school or provided as a standard first aid treatments. This is because they can mask signs of serious illness or injury.

COMMUNICATION

- Available publicly on our school's website
- Included in the staff 'Key Documents Folder' on Google Drive
- Discussed at staff briefings/meetings as required
- Reminders in our school newsletter
- Hard copy available from school administration upon request
